

DOG-ON-IT PARKS

DOG-ON-IT-PARKS.COM

The Walk In Pet Wash offers an easy way to bathe dogs of all sizes and is our most comfortable tub for medium and large dogs. Fully welded with 18-gauge stainless steel, it includes the full plumbing kit with a heavy-duty coiled hose, spray head with hold down lever, drain/hair trap, and a stainless steel holder for the spray head. For those slippery escape artists, the tub also features restraint hooks to clip a leash onto. The opening is a generous 58" W with a raised floor grate to keep paws out of the soapy water. The tub meets ADA requirements with use of the ADA Plumbing Kit.
